Our Mission

The Oak Island Beach Preservation Society, Inc., is dedicated to education and community engagement to enhance the Oak Island beach experience and leave the beach better for everyone now and in the future.

About us

In 1997 the Town of Oak Island created the Beach Preservation Trust Fund and Society. Ten volunteer Advisors helped build the trust fund over time through public contributions and coordinated the work of the Beach Preservation Society (BPS). In 2019, what had been a Town Committee became a 501(c)(3) nonprofit corporation established under the laws of the State of North Carolina.
